on december 28 1885 the foundation was laid for the establishment of congress party in maharashtra as a means of

communication between the british government and indian people which soon became a mass movement within a limited period of time since then it has been rooted for almost one hundred and twenty five years in india and has seen taking place with so many changes in the development of the party itself the congress party has been spread in all territories of india and caused tremendous success in the socio economic and political development of the country the work of the party in pre and post independence period is enlightening in fact the history of congress party is considerably the history of india s freedom movement if the leaders of the congress party are separated from the national leaders the lack of leadership could be found in indian history therefore the study of congress party in maharashtra is a challenging one

this book is a pioneering work on panjabi legends and drama from gender perspective it examines women s construction in the context of patriarchal paradigms particularly in the context of love sexuality and marriage

this is a remarkable collection of information on indian women s writing written originally in english beginning from the 19th century it introduces 444 writers of poetry and fiction now it has been a part of common critical parlance to say that the indian english women s writing is in ascendance one aim of this bibliography is to illustrate this phenomenon and to emphasise the variety of writing writers included in the bibliography come from all over india and from the indian diaspora all over the world another aim of this bibliography is to make us aware of the constructed nature of writerhood a given writer s texts do not exist and circulate in a vacuum but in a context we can see that indian english women s writing is taking place but what we do not see is the critical establishment that is literary scholars and critics taking much note of it
